

8th International Symposium Cephalopods – Present and Past

August 30 - September 3, 2010

Third Circular

University of Burgundy _ CNRS

Dijon (France)

The *International Symposium, Cephalopods Present and Past* (ISCPP) brings together all scientists working on extant or extinct cephalopods. The diversity of this group of mollusks, together with its broad temporal and spatial distribution, makes it a successful model for addressing key scientific issues. 8th ISCPP will be held at the University of Burgundy, Dijon, France from August 30 to September 3, 2010.

Symposium Venue: University of Burgundy, Main Campus, Gabriel Building
6 boulevard Gabriel, F-21000 Dijon, France

Instructions for Oral Communications & Posters

Note that we have reduced presentation time from 20 to 15 minutes due to the number of talk proposals. Each presentation should last no more than 15 minutes (10 minutes for the presentation and 5 minutes for discussion). Oral presentation should be created in the form of Microsoft PowerPoint slideshows (.ppt), or preferentially in the form of Adobe pdf slideshows.

Posters will be presented at the conference in A0 format (841 x 1189 mm, approximately 33" x 47"). Special time slots will be devoted to poster sessions. You will have to be present in front of your poster during the poster sessions.

8ISCPP Program

A provisional program is given in a separate file. However, note that the program may change. Please refer to the final program that will be distributed at the beginning of the symposium.
